

Notification of Data Security Incident

[05/02/2023] – On November 16, 2022, Summitt Trucking, LLC (“Summitt”) discovered suspicious activity related to one employee email account. Upon discovery, Summitt immediately took steps to secure its email system and network, and promptly began an investigation, aided by third-party forensic specialists, to confirm the nature and scope of the incident. The investigation determined that the email account was subject to access by an unauthorized third party.

Following a thorough analysis, it was determined that information contained in the affected email account may have included personally identifiable information (“PII”). The type of information contained within the affected data includes first and last names, in combination with one or more of the following: Social Security number, driver’s license number, financial account number, routing number, payment card information, health insurance and/or medical diagnosis/medical treatment information.

At this time, Summitt is not aware of any evidence to suggest that any information has been fraudulently misused. However, Summitt was unable to rule out the possibility that the information may have been accessed during the period of compromise. Therefore, out of an abundance of caution, Summitt is notifying potentially impacted individuals of this incident.

In response to this incident, Summitt has partnered with third-party forensic specialists to fully investigate the nature and scope of this matter, and to evaluate and reinforce existing security measures and facilities within the network to ensure optimal data security. Although Summitt has no evidence of fraudulent misuse, individuals are nonetheless encouraged to monitor their credit reports and account statements for suspicious activity and to detect errors.

Summitt has established a toll-free number to answer questions about the incident and to address related concerns. The number to call is 1-888-429-9538. Hours of operation are 9am – 9pm Eastern Time, Monday through Friday (excluding major US holidays).

Summitt takes the privacy and security of the information in its care seriously, and sincerely regrets any worry or inconvenience this incident may have caused.
